PROFILE

Information Systems student at Universitas Muhammadiyah Sumatera Utara with practical experience in web development. Skilled in Laravel, TailwindCSS, and database management using MySQL and phpMyAdmin. Passionate about creating responsive, user-friendly interfaces and continuously learning new technologies. Known for being detail-oriented, fast-learning, and a strong team player.

WORK EXPERIENCE

Freelance Web Developer

2023 - PRESENT

Remote Web Developer Freelance

- Design and develop responsive, user-friendly websites tailored to client needs using HTML, CSS, Bootstrap, TailwindCSS, and PHP.
- Build and maintain landing pages and admin dashboards for small businesses and student projects, ensuring seamless user experience across devices.
- Implement backend functionalities with PHP and Laravel framework, managing database operations using MySQL/phpMyAdmin.
- Collaborate closely with clients to understand requirements and deliver efficient, scalable web solutions.
- Use GitHub for version control and thorough code documentation to maintain project integrity.

Web Developer Intern

2022 - 2023

PT Literasia EdutTekno Digital (Remote)

- Developed responsive websites using PHP, Laravel, TailwindCSS, HTML, and CSS.
- Built landing pages and admin dashboards, optimizing UI for better user experience.
- Managed backend logic and database operations with PHP, Laravel, and MySQL/phpMyAdmin.
- Collaborated with the team to meet project deadlines using Git for version control
